# Lazy W Angus Ranch Production Sale

Welcome to our annual bull and heifer sale! What a great time to be in the cattle business. We would like to take this opportunity to welcome you and to say Thank you to everyone that has purchased cattle from our program in the past. We feel that we have a good group of bulls and heifers in the offering that will put live calves on the ground and will get up and perform efficiently in the feedlot. The heifers are a group that have performance and eye appeal and will make great replacements. The calves had no creep feed and were on a ration of free choice hay, high moisture corn, wheat midds, oat hulls and free choice mineral. The cattle have been bred for calving ease and we feel that you will experience that. Your satisfaction with your purchase is very important to us, so if you have any problems please let us know. Thank you for showing an interest in our cattle program and hope to see you at the sale!
